

CMA is renowned as a full-service specialized law firm and our Private Wealth team is focused on advising high net worth individuals on every aspect of wealth management.

We work together with Brazilian and foreign families, companies, financial institutions and multi- and single-family offices. Our multidisciplinary team strives to help our clients achieve their goals in managing, growing and maintaining the assets they have amassed. Our professionals' high degree of specialization allows us to provide our Private Wealth clientele with the whole gamut of tax, inheritance, ownership and real estate legal services while maintaining a close relationship with our clients.

We advise our customers with the following:

- Asset planning, with special focus on real estate.
- Succession planning, aiming at the transfer and conservation of wealth between generations.
- Restructuring of family assets and businesses, in Brazil and abroad.
- Tax advice for efficient wealth management in Brazil and abroad.
- Assistance in the satisfaction of ancillary obligations in Brazil and abroad (DIPF, DCBE, FATCA, CRS etc.).
