

CMA is experienced in the design, organization and maintenance of all kinds of investment funds in Brazil.

Our services include complex investment fund structures and tax, corporate governance, M&A, antitrust, compliance, financial restructuring and credit recovery issues.

We have extensive experience in providing comprehensive advice on fund organization and operation so that asset managers, trustees, family offices and professional investors can satisfy regulatory requirements and monitor the development of the industries in which they operate.

We work with all types of funds focusing on governance, liquidity and investment strategy aspects and on investment and divestment negotiations in a wide array of industries, on M&A transactions involving public and privately-held companies and on specific segments such as oil & gas and distressed assets.
